

BANCHORY-DEVENICK SCHOOL Vision, Values and Aims

As a school community, we ensure that our Vision, Values and Aims represent the spirit of who we are at Banchory-Devenick, and outlines what we want to achieve together. As we are a Forest School, we have opted to display our Vision, Values and Aims statement in the form of a tree, with the sun being the Vision, the leaves the Aims and the roots the Values. On admittance to school, each child receives a magnet with the school Values to take home.

Commitment

Our Vision, Values and Aims are set in the context of social, cultural, and educational changes and seek to reflect the core principles of Curriculum for Excellence. They provide the framework to ensure that Banchory-Devenick is a successful school. We are committed to working as a team to support and enable every child to become a successful learner, a confident individual, a responsible citizen and an effective contributor.
