### Science Centre Trip

Children in both classes were fortunate to attend an Electricity Workshop at the Aberdeen Science Centre. The children also had time to enjoy the exhibits at the Science Centre.

### Three Cheers for King Charles III!

The children gathered at the flagpole recently to raise a flag for King Charles III and to give three cheers for the King! Alfie raised the flag as the oldest pupil in the school.

### Flag Competition

The children were delighted to be visited by Philip Tibbetts, the vexillologist for Scotland. He told us about the history of flags and about the Design a Flag for Aberdeenshire competition.
