

Tipperty School Working Groups Newsletter

November 2022

Welcome to our November Working Groups Newsletter!

Here is an update from our pupil working groups.

Junior Road Safety Officer (JRSO) Group

The JRSO group were delighted to receive some reflectors and other road safety items after writing to the Transport department. They have shared the items with the whole school!

Gardening Group

Tipperty School Gardening Group have been fortunate to be allocated some trees by the Woodland Trust. Pictured are some of the P5-7 Pupils who were involved in planting the trees. The varieties of trees planted were Hazel, Crab Apple and Rowan.

Health Group

The Health Group members have been trialling a Toast Workshop in term 2. The pupils have trailed using an Excel spreadsheet to process their orders. Initial feedback is that the pupils have enjoyed the toast. The last Toast Tuckshop day this term will be on Tuesday 6th December. The pupils will review how the trial has gone and then make plans as to how to continue the trial in term 3.

Eco Group: Global Schools Action

The Eco Group (Ythan House) marked Global Schools Action Day by

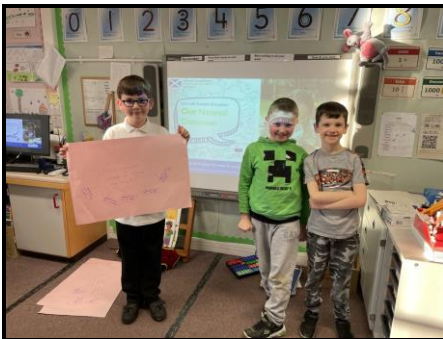

organising some house activities for all pupils in November.

The Eco group have also been planning a campaign to save water and have made posters to publicise this.

Pupil Learning Council

The National Discussion

The Scottish Government has been asking learners in Scotland to have their voice heard and to help develop a vision for the future of education in Scotland. What kind of education, skills, knowledge and support will young people need 20 years from now?

In Pupil Learning Council this term the children in all Houses have been thinking about this National Discussion.

Where do learners learn best? With whom? What should children in Scotland learn? How do children learn best?

The children's ideas will now be collated and shared anonymously with the Scottish Government.

Rotakids

The Rotakids have been learning about food banks and how they can support families in need. They have made some posters to inform people about the need to support food banks. The Rotakids are hopeful that they will be able to collect some non-perishable food items at our upcoming Christmas Raffle in order to donate these items to the Ellon Parish Church Community larder during our visit to Ellon Parish Church in December.

Please get in touch if you have queries about the content of this newsletter!
