

Tipperty School

Newsletter

May and June 2023

Welcome to our May/June Newsletter!

Royal Horticultural Society Level 2 Award

Many congratulations to Mrs Dew and the P5/7 Gardening Group on achieving their RHS Level 2 Award. The children in P5/7 took responsibility for submitting their evidence to RHS on behalf of Tipperty School. Well done everyone!

“Royal, Rock & Roll” Bingo Night

Congratulations to the Tipperty Parent Group for their recent fundraising Bingo night which was held to raise money for a trip to the Christmas pantomime in December 2023. A fantastic total of £415 was raised!

The Tipperty Parent Group would like to thank all those who purchased and donated raffles and all those who attended on the night. Thanks also go to Marilyn Evans who donated some handmade hedgehog toys to the raffle.

A big thank you to all those who organised this very successful event!

Coronation Celebration

In May we were delighted to invite the families of Tipperty School to celebrate the Coronation of King Charles III. The children acted out parts of the Coronation Ceremony and shared songs and facts about King Charles III. We enjoyed some musical performances. The children then invited their parents outside to take part in some playground games. Thank you to everyone who was able to come along!

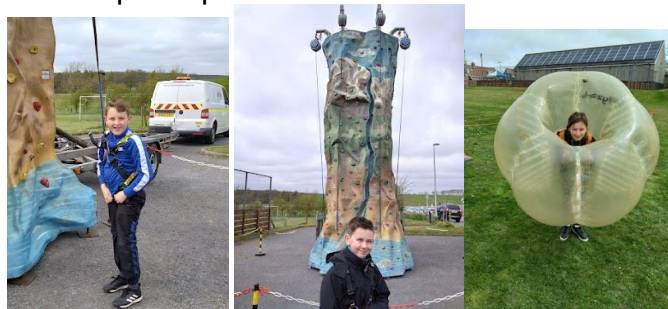

P7 Activity Days

Primary 7 recently visited Transition Extreme in Aberdeen for a skateboarding and BMXing activity. A further P7 activity day was held at Skyline, Inverurie, where the pupils had the chance to take part in trampolining and climbing activities.

Joint Activity Day with Cluster Schools

In May, Tipperty School was fortunate to host a Climbing Wall and Zorbing activity, in conjunction with the P7 Learners from Arnage, Slains and Foveran. A great time was had by all who participated!

Visit from UK Parliament Outreach

We recently had a visit from the UK Parliament outreach. Philippa held an assembly about the UK Parliament and described how a law is made. This links to work on democracy.

Rocks Workshop

Pupils in both classes recently participated in a Rocks Workshop run by a Geologist, Steven from Celed Rocks!

The workshop focused on rocks, fossils and volcanoes. The children had the opportunity to handle rock samples and observe working models of volcanic eruptions. This has linked well to work in the area of Earth Science.

Jazzmatazz

Pupils in both classes have completed a block of ten Jazzmatazz sessions this term with Mr Brogan, organised by the Youth Music Initiative. The children have had the opportunity to play percussion instruments and have been inspired by Mr Brogan's musical performances on both saxophone and piano.

Health Week

Mrs Irvine and the Health Group have been drawing up plans for the Friendship and Health week which will take place from 12th-19th June. We will be visited by "On the Ball Football Academy" and Roslyn Howard Dance. The children will also take part in a Boccia Tournament and a Rounders Tournament. On "Friendship Friday" the children will work on the topic of Friendship, consider the qualities of a

good friend and think of simple steps we can all take to be a better friend.

Thank You- Tree Donation

Many thanks to the Bergh family for their donation of trees to the school. The Gardening group planted these trees in a recent gardening session, with the support of our garden volunteers, Mrs Mackay and Mrs Yeoman.

Tipperty Parent Group Meeting

The next meeting of the Tipperty Parent Group will take place at Tipperty School on Tuesday 20th June at 6.30pm. An option to join the meeting online will also be available. We look forward to welcoming you to the meeting.

100 Club - Congratulations to our winners!

| | |
|-------------|------------------|
| May | |
| £25 | Isobel Elrick |
| £15 | James Yeoman |
